

Saddle and Harness Association

Open Shows

Horses, Ponies, Mules and Donkeys
All breeds and sizes -- Beginner to Advanced

Come Ride or Drive with Us!

Saddle and Harness Association is an organization that strives to promote equine activities, the sport of riding and pleasure driving, to further the education of the competitors, to encourage beginners and nurture a sportsmanlike attitude. Our club considers beginners and new members equally as valuable as veteran members, riders, drivers and trainers. Exclusive attire, equipment, equines and vehicles are NOT necessary to participate. Safety is our top priority.
