The Saddle & Harness Association strives to bring equine enthusiasm together to promote the sports of riding and pleasure driving, to further the education of competitors, as well as the audience in such sports, to learn every day, to encourage beginners and to do all of this with everyone's safety in mind and a good sportsmanlike attitude.

Beginners and new members are considered equally as valuable as veteran members, riders, drivers and trainers. Expensive attire, equipment, equines and vehicles are not necessary to participate.
